

**THE HEWLETT-PACKARD LIMITED RETIREMENT BENEFITS PLAN –
BOI/MEDAS SECTION (THE PLAN)**

**SCHEDULE OF CONTRIBUTIONS FOR THE FIVE YEAR PERIOD COMMENCING ON THE DATE
THIS SCHEDULE IS CERTIFIED BY THE SCHEME ACTUARY**

This Schedule of Contributions has been prepared by the Trustees to satisfy the requirements of Section 227 of the Pensions Act 2004, after obtaining the advice of David Eteen, the Scheme Actuary and after obtaining the agreement of the Employer. It covers contributions to the Plan from all employers who participate in the Plan from time to time.

For the avoidance of doubt, any employer may pay any amount of contributions, so long as the total amount paid equals or exceeds the total amount calculated according to this Schedule. Furthermore, this Schedule sets out the minimum payable and the employers may agree with the Trustees to pay a greater amount.

Employer Annual Contributions

In respect of amortisation of deficit, future accrual of benefits and the expected expenses of administering the Plan, the required contributions are zero.

The above allow for estimated administration expenses of £70,000 p.a., including levies, assumed to increase in line with RPI inflation.

Employer Salary Sacrifice Member Ordinary Contributions

In respect of Salary Sacrifice Members, the participating employers will contribute:

- 7% of Contributory Salary for each member who has elected the basic contribution level
- 4% of Contributory Salary for each member who has elected the lower contribution level

These Employer Salary Sacrifice Member Ordinary Contributions are payable for so long as the Company is operating a Salary Sacrifice arrangement and are payable even if the regular contributions set out above are zero.

Member Ordinary Contributions

Members who are not Salary Sacrifice Members will contribute:

- 7% of Contributory Salary if they have elected the basic contribution level
- 4% of Contributory Salary if they have elected the lower contribution level

Salary Sacrifice Members are not required to contribute to the Plan.

Contributory Salary

Contributory Salary is defined as base salary received by the Member from the Employer in any pay period. For B&W Uplift Members this amount is multiplied by 1.1.

Timing of Payment of Employer Salary Sacrifice Member Ordinary Contributions and Member Ordinary Contributions

The employers will ensure that the Trustees receive these Employer Salary Sacrifice Member Ordinary Contributions and Member Ordinary Contributions within 19 days of the end of the calendar month to which the contributions relate. The date of receipt will be taken as the date on which the contributions are credited to the Trustee bank account.

Special Employer Contributions to cover Augmentations

The employers may pay additional contributions in accordance with General Rule 7.3 to cover the costs of benefit augmentations. Contributions in respect of severance money will be payable within 60 days of the date a member becomes entitled to the increased or additional benefits. Additional payments in respect of other types of augmentation will be payable within the timescales advised by the Scheme Actuary.

Additional Voluntary Contributions

This Schedule does not cover members' Additional Voluntary Contributions paid by the Member or by the Employer via salary sacrifice.

ACTUARIAL CERTIFICATION OF THE SCHEDULE OF CONTRIBUTIONS

Name of scheme: THE HEWLETT-PACKARD LIMITED RETIREMENT BENEFITS PLAN
– BOI/MEDAS SECTION

Adequacy of rates of contributions

1. I certify that, in my opinion, the rates of contributions shown in this schedule of contributions are such that the statutory funding objective can be expected to be met by the end of the period specified in the recovery plan dated 16 January 2014.

Adherence to statement of funding principles

2. I hereby certify that, in my opinion, this schedule of contributions is consistent with the Statement of Funding Principles dated 16 January 2014.

The certification of the adequacy of the rates of contributions for the purpose of securing that the statutory funding objective can be expected to be met is not a certification of their adequacy for the purpose of securing the scheme's liabilities by the purchase of annuities, if the scheme were wound up.
